

## Vacancies

We require enthusiastic, motivated and caring staff. You will become part of a dynamic and dedicated team providing physical, psychological and spiritual care to patients with life threatening illnesses.

We are expanding our Hospice at Home service this year, enabling patients to be supported in the comfort of familiar surroundings should they choose. For our staff, this means a shift in working environment as well as a need to develop new skills.

### Professional Development Facilitator

( 25,500 - 28,900 subject to experience)

We are looking for a confident, enthusiastic communicator who can champion educational work-based learning opportunities to internal and external audiences.

The remit of this exciting role will be directed by the postholder through awareness of national strategies and identification of the training needs of staff and volunteers.

We want someone who believes in being the best and can motivate others to be so.

If you want to work for a progressive, dynamic organisation that strongly supports staff development and encourages initiative and excellence then we'd love to hear from you. This post can offer flexible working arrangements.

For further information and an informal discussion, please call Madeline Bass on (01284) 715591.

Closing date: 25th July 2008

For an information pack and application form for all positions please contact our recruitment line on (01284) 715550 or email: [kaynewman@stnh.org.uk](mailto:kaynewman@stnh.org.uk)
