

## Companies

The Hospice is keen to forge links with our local business community. We are happy to listen to any ideas you may have for a lasting partnership with the Hospice.

Here are just a few of ways in which we can both benefit:

- recycle your ink cartridges in aid of the Hospice - call fundraising for a recycling box
- recycle your old mobile phones
- make everyclick.com your search engine
- make St Nicholas Hospice your 'Charity of the Year'
- sponsor a Hospice event such as the Fete and family fun day
- encourage Payroll Giving or Give As You Earn
- introduce matched giving - where monies raised by staff are matched by a contribution from their employer
- provide gifts in kind for use in the Hospice or for one of our auctions or raffles

For further information on any of these ideas, or an informal chat, please call Clive Gillam our Lottery and Corporate Development Officer on 01284 715580 or [email](#)
