

User Forum

Our Service User Forum is a group that brings together the views of patients, families and carers who are using, or who have recently used, the services provided by St Nicholas Hospice.

The Forum offers users the opportunity to share views based on their own experiences of St Nicholas Hospice's current service. Their opinions and suggestions are used to

- review and evaluate current services
- inform service developments
- help us review our leaflets and paperwork
- develop consultative questionnaires

When does the Forum meet?

The forum meets every quarter, on a Monday, from 10.30am to 12 noon - in the Garden Room of the Day Hospice.

For more details and contact information please see the [leaflet](#).
