St Nicholas Hospice Care has a Retail Warehouse full of outstanding second-hand furniture, bric a brac and quality household items, and is open to the public six days a week!

It's an absolute treasure trove of great furniture, books, crockery, pictures, and more unusual antique items.

If you, a family member or a friend are looking for excellent quality bargains, take a trip to the Retail Warehouse on Boldero Road, Moreton Hall Estate, Bury St Edmunds.

Customers are amazed by the wonderful clean and light space, pine floors, friendly staff and the beautifully arranged furniture and household items. Apart from the excellent prices, you wouldn't know you were in a second hand shop! There is plenty of free parking outside too.

It makes for a wonderful shopping experience, and with Bury St Edmunds town centre only 10 minutes away, you could even make a day of it and go for lunch after your visit.

You'll be delighted by the quality and prices available, and all your friends will be amazed by your purchases.

And as every penny will go towards helping us provide our hospice services, you'll know that you've contributed to helping local people with terminal illnesses.

Contact the Retail Warehouse for more information or directions on 01284 747622 or 01284 747623.
